

Protect Others

Read Exodus 21:28–36. The laws given here show that God's people are to be careful to protect the lives and property of other people.

Perform a “safety check” on your home. Have any toys that someone might trip over been put away? Are tools put away? Are there any fire hazards in your home, like flickering lamps or paint cans and rags piled in a corner? Are plug outlets covered up? If your dog sometimes bites, is he safely tied up? Is medicine kept out of reach?

Give yourself ten points for each thing you do to make your house and yard safer for your family and other people:

10 points—keep it up!

30 points—doing good!

50 points—super!

Live It!

Exodus 21:28–36
