

Asking for Forgiveness

Can you think of a time when you did something wrong to someone? Have you ever said something unkind or done something mean to a friend or brother or sister? Have you ever hurt your parents or grandparents when you misbehaved?

Read Genesis 50:15–21. If you have wronged someone, use Joseph's brothers' plan. First write that person and ask them to forgive you. Then go see him or her in person and ask for forgiveness.

Joseph's brothers felt much better when they knew that Joseph had forgiven them. You will feel better when you are forgiven too.

Live It!
