

When Life Isn't Fair

Draw a comic strip story, telling about a time when life wasn't fair to you. Have two of the pictures show what you did after you were treated unfairly.

Life wasn't fair to Joseph either. His brothers sold him to be a slave, and then things only got worse. Read Genesis 39:1–23. What happened to Joseph? What did Joseph do when life wasn't fair to him? Sulk and stop trying? Or keep on working hard?

Look back at your comic strip story. Did you act like Joseph when you were treated unfairly? If not, redraw the last two pictures to show what Joseph would have done.

Live It!
