

Sing Joyful Songs

Read 1 Chronicles 15:16–22. What did David do to improve worship in Jerusalem?

Here's something your family can do to make worship better and more fun. Find a hymnal or songbook. Pick out songs you sing at church or church school. Pick some that are new to you, as well as those that are your favorites. Then at suppertime or bedtime sing one or two of the songs together. Soon you will know the songs better and be able to worship God more joyfully.

Live It!
