

Teamwork

King David was brave and strong. As a boy, he fought off a lion and a bear that tried to kill his sheep. As a teenager David killed the giant Goliath. But as king, David needed an army to help him. Read 1 Chronicles 11:10–25 to find out who helped David.

Here are three things to try doing alone.

1. Carry ten pennies, one at a time, from one side of a room to the other. 2. Play a board game. 3. Pick up a long stick and carry it across your yard.

Now do the same three things with another person. When you have finished, answer these questions: Which of these things is easier when you have a helper? Which is more fun when you have a helper? Which is faster to do when you have a helper?

Think about this. Which chores that you and your brothers or sisters do would be easier or more fun or done faster if you helped each other?

Live It!
