

Love Is

Love is the main thing God expects of us as Christians. He says that we should love him and others. Read 1 Corinthians 13:4–7. This passage explains something of how a loving person will treat others.

Write on a different 3 x 5 card each thing these verses say about what Christian love is. At mealtime, when your whole family is together, have each person draw one of the cards. Then ask each one to tell about a time when someone in the family showed this kind of love.

Live It!
