

Something to Remember

When David grew old he gave his son Solomon a charge. *Charge* means "advice." David told Solomon the really important things he wanted him to remember. Read 1 Kings 2:1-4 and write down things David wanted Solomon to remember.

Ask your mom or dad to give you a "charge," like David gave Solomon, so you will know what they want you to remember all your life.

Live It!

1 Kings 2:1-4
