

A Gift to and from God

Did you know that many mothers pray for their children before the children are born? Ask your mom if she prayed for you before you were born. Ask her what she said when she prayed for you. Ask whether she prays for you now.

Then read 1 Samuel 1:1–20. What did Hannah say when she prayed to God for her child? Was anything in Hannah's prayer like your mother's prayers for you?

Live It!
