

Acting Foolishly

Kyle's dad was supposed to come home in the afternoon to take Kyle fishing. By the middle of the afternoon Kyle was tired of waiting. He took his pole, dug a few worms, hopped on his bike, and went to the river to fish by himself.

Half an hour later Kyle's dad found him. "Kyle, why didn't you wait? We were supposed to go fishing with Mr. Carson in his bass boat until late tonight. It was a special surprise for you. But Mr. Carson has already left. Now it's too late. You should have waited."

Read 1 Samuel 13:5–14. Saul didn't wait either. Kyle missed out on a fishing trip because he didn't wait. What Saul missed is recorded in 1 Samuel 13:14.

Kyle and Saul were both impatient. More than that, they both disobeyed. Can you see from these stories how important it is to be patient and to obey?
