

You Be the Judge

In 2 Chronicles 19:4–10 you can read about the judges that King Jehoshaphat (Jeh-HO-shuh-FAT) appointed. He told them things like this: Be fair. Be careful. Follow the rules in God's Word. Judge to please God.

Family members argue too. If you were a judge in your family and had to settle arguments, how good of a judge would you be? Have each family member decide how to settle these real-life cases.

Case #1. Dylan complains that Caitlin takes the biggest piece of cake.

Case #2. Caitlin says Dylan took a CD out of her room.

Case #3. Dylan and Caitlin each complain that their own chores are harder.
