

Cheerful Giving

God wants us to give some of our money to help others. And he wants us to do it cheerfully. He promises, then, to make sure we always have enough. Read 2 Corinthians 9:6–11.

Giving is something everyone can do. Do you have an allowance or a job for which you get paid? After reading these verses, decide how much money you can cheerfully give.

Live It!

2 Corinthians 9:6–11
