

## God Has Delivered Us, Too

Read 2 Corinthians 1:8–11. The apostle Paul went through a lot of tough experiences. Then read 2 Corinthians 11:23–29 to learn more details about Paul's troubles.

Most people go through hard times and even feel despair at times. Ask your mom or dad or your grandparents whether God has helped them through any really hard times. Ask them to tell you about what happened.

It is good to know that God, who helped your mom and dad, will help you too.
