

Reading God's Mail

How does God send letters to people today? Read 2 Corinthians 3:1–3 to find out. Christians can be a message, or letter, from Christ by doing what is right, by loving others, and by telling others about Jesus.

Think about it—what kind of message are you sending? What do your friends and relatives see and think about Jesus when they look at you?

Live It!

2 Corinthians 3:1–3
