

## Keep It to Yourself?

The Arameans (AIR-uh-MEE-uns) were camped all around the city of Samaria. They were not letting anyone or anything go in or out of the city, so the people inside were starving. Read 2 Kings 7:3–11 to find out what four men with leprosy did.

Now read verse 9 again. Do you think Christians today sometimes do the same thing? Jesus died to save us from sin so we can go to heaven. People who don't believe in Jesus will not go to heaven. If you don't tell people about the Good News, they may never hear it. Do you think God wants you to tell them?
