

Loved Forever

Read 2 Samuel 7:1–16. Then memorize this part of verse 15: “My love will never be taken away from him.”

God loves us just that way. To remind you of God’s kind of love, cut a strip of paper about one-half inch wide and 11 inches long. Twist the paper strip one time, and tape the two ends together. Then take a pen. Start drawing a line on the inside of the strip. Keep turning the strip, but do not lift the pen from the paper. You’ll find you’ve made a line on both sides of the strip, without ever taking the pen off the paper!

Keep this “magic” strip to remind you that God will never take his love away from you. You are marked as someone God loves, and that love continues forever.

Live It!

2 Samuel 7:1–16
