

## Showing Kindness

Read 2 Samuel 9:1–13. This story is about Mephibosheth (Meh-FIB-o-sheth). He was the only son of Jonathan who was still alive, but he was disabled in both feet. David was kind to him, treating him like his own son. That is because he was the son of David's best friend Jonathan.

Do you know any children who are disabled or who look different or act differently from most children? They need special kindness from you. You can talk to them and find ways to play with them. Your kindness may be the best thing about their day!
