

## Power from God

Read Acts 14:8–18. What did the people of Lystra do when Paul healed the disabled man? Why were Barnabas and Paul upset?

Tell someone this story and explain what upset the apostles. Ask these questions:

1. Who did the people think was most important?
2. Who did Paul think was most important?
3. Who do you think is most important?

We can be glad for our leaders, but remember that they are not as important as God.
