

Power to Love

The first Christians loved each other very much. Read Acts 2:42–47. Find in these verses at least five things the early Christians did to show love for each other.

Here are things you can do to show Christian love:

1. Have a garage sale and give what you earn to needy people.
2. Invite a lonely person to your house for a meal.
3. Have friends over to share family devotions. How is each one like something the early Christians did?

Live It!
