

The Power of Trust in God

Read this exciting story about the storm and shipwreck that happened to Paul. Paul trusted God and remained calm even when the ship was almost sinking in the storm.

Paul's trust in God helped others on the ship: the sailors (Acts 27:30–32), all 276 on board (Acts 27:33–38), and the prisoners (Acts 27:42–44).

Draw a picture of your favorite part of this story. Let it remind you to trust God even when there is danger. If you stay calm in danger because you trust God, you can help others be calm too.
