

Your Part in a Happy Family

Everyone has a part in making a happy family. Read Colossians 3:18–21. What is your dad's part? Your mom's part? What is your part?

How could you show obedience if your mom or dad said these things:

1. "It's time for bed."
2. "Be sure to behave on the school bus."
3. "I wish you wouldn't complain about the food I cook."
4. "Don't talk back."
5. "Homework comes first."

Talk to your mom or dad. Ask them why the whole family is happier when everybody does their part.

Live It!
