

Learning God's Language

Most of the Old Testament was written in Hebrew. The New Testament was written in Greek. But God has a special language for Christians.

Read Ephesians 4:29–32. Discuss these questions with your parents or grandparents: What are some things a Christian who talks God's language would never say? What are things a Christian who talks God's language might say to others?

Live It!

Ephesians 4:29–32
