

God Can Change People

In Ezekiel's time God's people worshiped idols. Read Ezekiel 20:39–44. In this passage God tells the Israelites that he is unhappy with what they've been doing, but then he tells them what will happen in the future. The Israelites will return to worshiping God, and they will be very sorry for what they have done wrong.

Do you know any kids who don't act like Christians and do mean and wrong things? You can pray for them. Ask God to change them by helping them know and love Jesus.

Live It!
