

Help for the Poor

One thing that made Job such a good man was that he cared about other people. Read Job 31:16–23. What did Job do to show that he cared about people who were poor and needy?

Name several ways that Christians today can help others in need. You can help too. Ask your mom or dad if you can go through your clothes and toys. Neatly put into bags some clothes and toys you no longer use. Ask someone in your church or community if there is a needy family with a boy or girl who could wear what you've outgrown. Take the bags of clothes and toys to the family.

Live It!

Job 31:16–23
