

Jonah's Vine

How do you feel when something good happens to someone who isn't nice? Do you feel angry or upset? Jonah felt that way. Jonah told the people of Nineveh that God would destroy the city. The people repented, and God did not destroy Nineveh. Read Jonah 4, and find out how Jonah felt about this. Find out too why God did not destroy Nineveh.

Find a superball and bounce it on a hard surface. Try to count the number of times it bounces. In the same way, God forgives us over and over.

Live It!
