

Dedicating Children to the Lord

A "Nazirite" was a person dedicated to God by a special promise or "vow." Read Judges 13:1–14 to find out what special things God asked Samson's mother and father to do to dedicate their son.

Christians often dedicate their children to the Lord too. Many parents dedicate or baptize children when they are babies. Ask your parents if you were dedicated or baptized as a baby. Ask them why they did this and what promises they made at that time.

An example of a dedication or baptism service may be printed in your church hymnal. If so, read for yourself the special service your mom and dad may have had at church for you when you were a baby.

Live It!
