

Just for Girls

The word *judge* in this book of the Bible means “leader” or “ruler.” Deborah was a prophetess who spoke on behalf of God. Deborah was a judge, too, who ruled the Israelites. The people counted on Deborah so much that General Barak, the head of the army, said he would not fight the enemy unless Deborah went with him! Read Judges 4:1–10 to learn more about this important Bible woman.

Women are important in the church today too. Talk to a woman leader in your church. Ask what she does to serve God. Ask how other women can serve God. If you are a girl, ask her how you will be able to serve God when you grow up. Then write her a letter and tell her how you want to serve God when you grow up.

Live It!
