

## Scared, but Willing

Even though Gideon was afraid, he trusted God. Read Judges 7:1–21. Gideon's 300 men must have been frightened too. But Gideon said, "Follow my lead . . . Do exactly as I do" (Judges 7:17). Is there someone who is a good example for you? Write that person a thank you letter. Here's a good way to start your letter:

"Dear \_\_\_\_\_,

I just read the story of Gideon in Judges 7. He was a good example to his men. He helped them trust God and showed them what to do to please God. This Bible story made me think of you. You are a good example to me.

Here are some of the ways I want to be like you as I grow up . . . "

When you finish writing your letter, be sure to mail or email it!
