

Find Your Gifts

Read Luke 19:11–27. Which lessons do you think God wants you to learn from this story? For a start, you might list: 1. God gives everyone gifts and abilities. 2. God wants me to use my gifts for him. 3. God will praise me when I use my gifts for him.

List some things you do well. Sing? Draw? Write? Play sports? Help others? Ask three adults who know you what gifts they think God has given you. Ask how they think you can use your gifts to serve God.
