

Talking About God

Read Malachi 3:16–17. God is pleased when you talk with others about him—so pleased that he writes your name in his “scroll of remembrance.”

Make your own “scroll of remembrance.” Buy a small spiral notebook. At bedtime write down what you and others said if you talked about God that day. Try to talk about God with someone each day, so you have something to write in your “scroll.” People who love God and talk about him are his “treasured possession.”

Live It!
