

A Jesus Baby Book

Parents often keep a baby book for their children. The book has a place for pictures and stories about their child. Ask your mom or dad whether you have a baby book that you can look at. You can make a baby book for Jesus. Read Matthew 2:1–12 and the first two chapters of Luke to find out about Jesus' birth. Draw pictures of these things on some pieces of paper. Write Bible verses that tell about each picture. Now stack the papers and punch two holes on one end. Thread a long piece of yarn through the holes, and tie the yarn to hold the papers together.

Live It!
