

Appreciation Night

Read Matthew 13:53–58. People in Jesus' hometown did not appreciate him. Jesus said that people often don't appreciate members of their own family!

Suggest a family appreciation night. Have each person in your family take turns sitting on a chair in the middle of the room. Then have everyone else say what he or she appreciates about the person in the chair. When each person has had a turn, pretend that Jesus is sitting in the empty chair. Let everyone tell what he or she appreciates about Jesus.

Live It!
