

## Planning

Read Micah 2:1–3. What will God do to those who plan evil?

It's wise for Christians to plan—but we must plan to do good. Get a pen and paper and write down some plans. Plan something good to do for your parents and grandparents. Plan something good to do for two of your friends. Plan something good to do for a schoolteacher or church school teacher. Then carry out your plans!

God, who is watching, will plan something good for you in return!
