

Remember Me, God

In Nehemiah 13:10–22 Nehemiah recalled some of the good things that he had done. He asked God to remember him for his good work because he was trying to please God and help his people.

God was pleased when he saw Nehemiah doing good deeds. And he's pleased when he sees you doing good things too. Write down some of the good things you've done. Show your list to your parents. Ask whether there is anything they can think of for you to add to your list.

Live It!
