

Follow Jesus' Example

A humble Christian is not selfish or conceited. A humble Christian thinks about how others feel, and not just about himself or herself. Read Philippians 2:1–11. How was Jesus humble? How could you follow Jesus' example in each of these situations?

1. One of the younger children falls down and gets hurt on the bus.
2. A new student forgets to bring his lunch on a field trip.
3. You and your sister each want to play a new video game.
