

Laughing at Others

Think about a time when you made a mistake or goofed up somehow and someone laughed at you. Perhaps you answered a question incorrectly or tripped on the steps of the school bus or had on mismatched shoes or socks. How did the laughter make you feel?

Now think about a time when you laughed at someone else. What did he or she do to make you laugh? How do you think that person felt?

Read Proverbs 24:17–18. The wise person who wrote this proverb says something about what happens when we laugh at someone else. God will see our actions and disapprove. What will you do the next time you see someone make a mistake?
