

God Is My Shepherd

Read Psalm 23. God loves you, just as a shepherd loves his sheep. God wants to take care of you and protect you, just as a shepherd cares for and protects his sheep.

Ask someone to take a picture of you at a nearby park or wildlife area. Be sure the background includes green grass and a stream if possible. Put that picture somewhere in your room with a sticky note above it that says "The Lord Is My Shepherd." Let it be a reminder to you of God's care.

Live It!
