What Is Heaven Like?

Read Revelation 21:1—22:6. These verses tell us a lot about what heaven will look like. Name three jewels that will be found in heaven. What will the streets be made of? Will there be a sun or moon? Why or why not?

Revelation 21:4 tells us four things that will not be

present in heaven. Can you find them?

Today tell at least one friend why you are glad Jesus died so that you can go to heaven someday.
