

A Beautiful Career

List five jobs that you think you would enjoy doing when you grow up. Tell your mom, dad or grandparent what is on your list, and explain what you like about each job.

Then read Romans 10:11–15. Does anything in this passage make you think that a career as a pastor or missionary might be a good one for you? Talk with your pastor and ask what is special and fulfilling about this position.

Live It!
