

When God Won't Answer Prayer

Read Zechariah 7:8–14. Write down in one sentence why God would not listen to the prayers of the people Zechariah writes about (see especially Zechariah 7:13).

Next time you pray, stop first and think. Is there anything you have done wrong that you need to tell God about? When you confess your sins to God and try to do what is right, you can be sure God will listen to your prayers.

Live It!
